# DEDICATION

MR. THOMAS CROCE

MR. SAMUEL VOJTEK

We, the class of 1963, dedicate this edition of the Purple and Gold to Mr. Thomas Croce and Mr. Samuel Vojtek. Their patience and understanding and guidance have been an inspiration to us throughout our high school years. We hope to become citizens worthy of their efforts.

# In Memoriam

In warm remembrance of Gary Montoni, our beloved classmates, the memory of whose friendship, kindness, and gentle ways will always remain with us.

"No task too great for him to do  
And in the doing was a smile  
That aided as he carried through  
The deeds that were so well worth while,  
The brightness of his day is gone,  
We see the setting of the sun;  
If only we could carry on  
And live a life like he has done!  
He was our friend."

# The Class of 1963

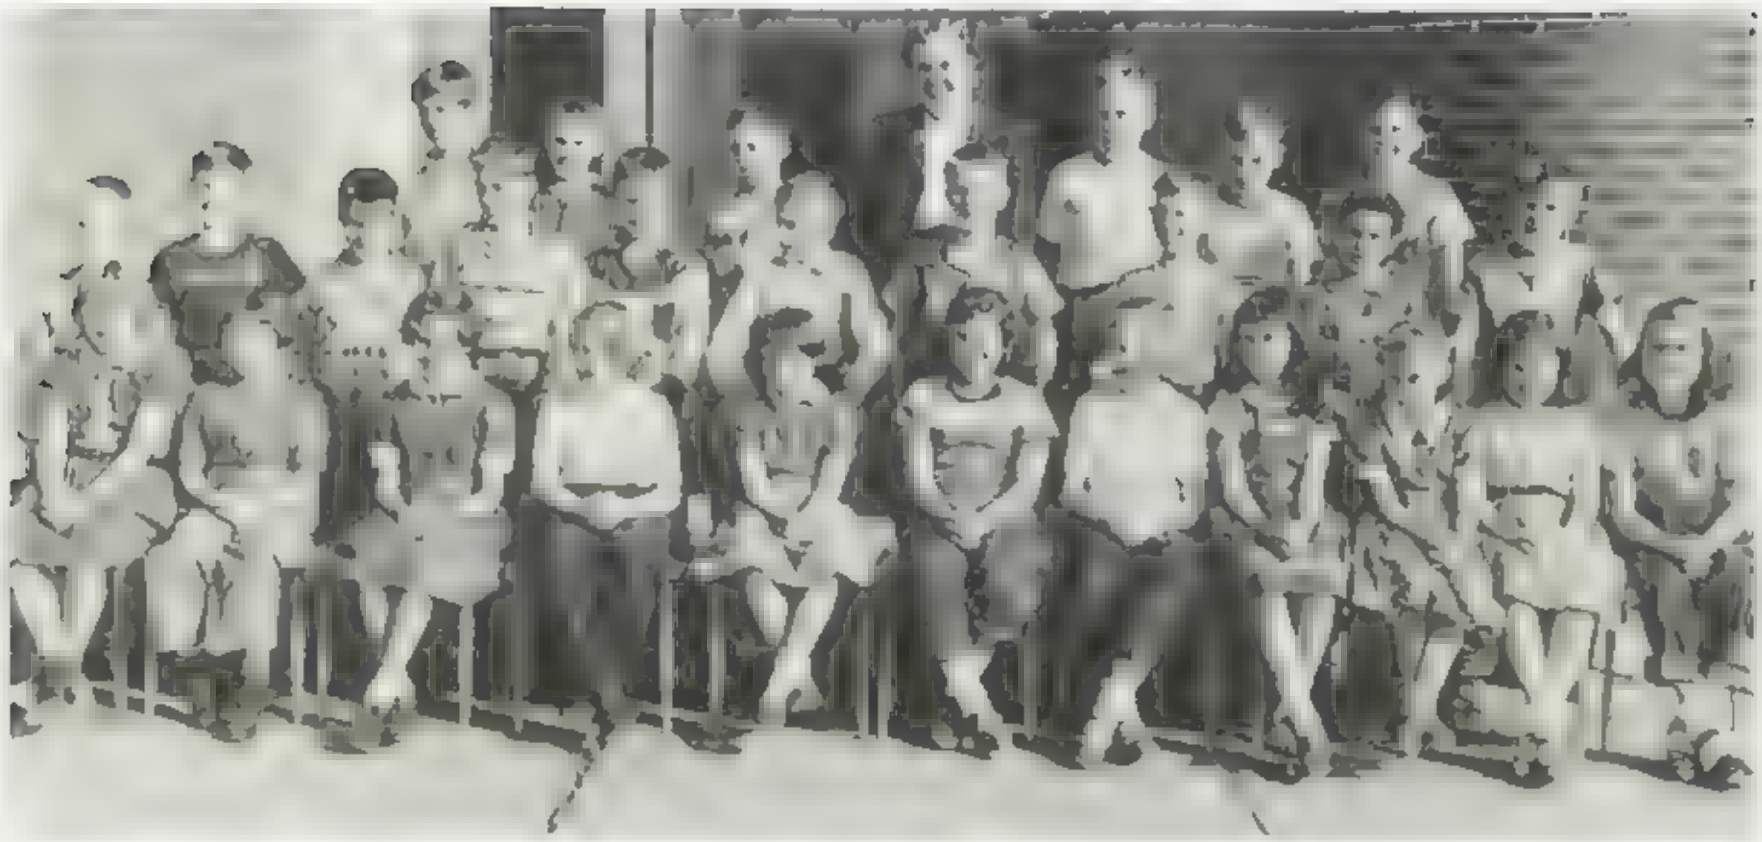

How many times have we climbed these steps--  
These famous steps to school?  
The school where we learned the good 3R's  
And to live by the Golden Rule.

We dare not guess the number of trips  
We've made up here each year.  
But when we have to leave this school  
We'll surely shed a tear.

# Class History

'Twas a bright September day in 1950 when we, the great class of 1963, entered the elementary school. After working hard for six long years, including Kindergarten, we hoped to rule the school at last as sixth graders. At this stage of the game (?) luck was against us and we were forced to become green underclassmen once more. (This time we were on the hill.)

In seventh grade we had a successful dance and a bake sale. Then in eighth grade, we welcomed Mr. Croce and Mr. Vojtek as our class advisors.

From then on things moved fast. We had more dances and bake sales, and in our Junior year we received our precious class rings. Also during that year we held a profitable spring concert, supper and helped put on the first prom in our new gym. The theme for this beautiful dance was "Tropic Dream." In June we put on a Tea for the Seniors and Faculty. It was most enjoyable.

Summer vacation came and went and in September 1962, we began our big year, realizing that we were finally "rulers of the school." We started by selling magazine subscriptions and added to our bank account by holding a record dance on November 2 and 3, we presented our Senior Play, "No More Homework," which was directed by Mrs. Bilobrowka.

At last came our long-awaited Senior Trip, which we all had been working for these past years. In the spring we had our last Junior-Senior Prom which will be long remembered, when graduation finally became a reality instead of a dream our hearts were saddened at the thoughts of leaving our beloved school, but then we remembered that it was not the end--just the beginning.

When Pamela Jones was elected student council president, never in her wildest dreams did she foresee having to make the thousand and one decisions required of a school principal. Nor did her boy friend, "Buzz" Bailey, ever expect to find himself doubling as vice-principal and "home ec" teacher, with an omelette in one hand and a dress pattern in the other.

A fighting faculty, a feuding janitor and cleaning woman, the school wolf on the prowl, a false fire alarm, and the scheming plots of jealous school-girls are only a few of the other problems that face Pamela and Buzz and turn the entire school upside down.

Then somehow, with the return of Mr. Milton, the real principal, situations managed to right themselves; and Pam and "Buzz" and the rest of the school return to normal. Well... more or less!

Faversham! Wake up, WAKE UP!

All right.... Napoleon

And I have to speak at the State Principals' Convention.

This was the first time in five years that the Saints did not win the M.V.I.L. title. The Saints also have won every home game they have played for three consecutive years. In the opening game of the Class D Sectionals at Johnstown they lost to Mayfield by a 6-1 score.

Getting Ready

# Farewell

We met, we laughed, we fought, we cried  
Through long semesters, side by side.  
The road at times was hard and rough,  
And all my studies seemed so rough;  
But you, my friend, were always near  
To help, to chide, to bring me cheer.

Remember how we used to cram,  
Afraid we'd flunk that old exam?  
Remember when we'd spring a joke  
Just to get the teacher's goat?  
Many a laugh and many a tear  
We shared in these old halls so dear.

Now's the time for parting sighs,  
For us to bid our last good-byes.  
To teachers, friends, and foes--Adieu!  
Saddest of all--Farewell to you!  
So long, classmate! Fond thanks I'm giving  
Because you made school days worth living!
